Course Registration Summary Form

Post-Secondary Funding Program

Please use this form to summarize the classes you have enrolled in (or will enroll in) for the upcoming semester. **By signing this form, you are agreeing to complete the courses you write below.** This means that if you withdraw from or change any of your courses, you must immediately contact your funding officer and submit your updated course registration (from your school) and an updated copy of this form.

If you withdraw from any course *after your school's course withdrawal deadline* you will be placed into an overpayment for the tuition of that course, which must be paid back in full, either within 30 days (if sponsorship continues) or before next approval (if sponsorship ends).

Additionally, please be aware that providing false or incomplete information is considered fraud and will result in the immediate cancellation of your sponsorship.
